To Architectural Review Committee:

I/ We would like to submit the following information for review by the Architectural Review Committee of Indian Creek Cove, for the improvement(s) added to our property post-closing.

1. I/We have marked the item(s) that I/we plan to or have already installed on the property.

- Build a storage shed, detached garage or accessory building
- Install a fence in the yard
- Install additional landscaping or exterior lighting not attached to my home
- Install a sculpture, fountain or flag
- Add artificial foliage to the exterior of my residence (e.g., a topiary on the front porch)
- Install or attach something other than the described above (e.g., screening A/C unit or garbage can, adding a deck, extending a roof, etc.)

Other Project(s):

2. I/ We have attached a specification sheet for each project(s) that is planned or has already been completed (as noted above). The specification sheet(s) includes the project's size, color(s), architectural style, shape and location.

3. Attached are all drawings, plans, color(s), or materials associated with the project(s) to aid in your review.

I can be reached at _____ if any clarification or additional detail is needed.

Thank You,

Owner/ Signature

Email Address

NOTE: Even if you have already installed any of the above items, Architectural Review Committee approval is required in writing and that approval must be on file. If the ARC denies your request for an already installed item, you may be fined if it is not removed within 30 days of disapproval by the ARC.

Architectural Review Committee Decision: APPROVED AS SUBMITTED DENIED
